A WALK THROUGH THE PARK

Walking Tour of Hidden Falls Regional Park

Lincoln Creek Week 2007 Activity
Sunday, April 22nd, 3:00 pm – dusk

Join us for the fourth walking tour of the day on April 22nd as we enjoy the splendors of this new Placer County Regional Park. Hidden Falls was opened to the public last Fall.

The views are magnificent. The falls are breath taking. The Park is only partially completed with 220 acres of gorgeous countryside. Eventually it will expand to 1200 acres. Please go the following website for a more detailed description of the sights and sounds of this "crown jewel."

http://www.placer.ca.gov/Facility/Parks/unamedpark.aspx

This tour will be hosted by Andy Fisher, Placer County Parks & Grounds Division. He has been instrumental in the planning and construction of the Hidden Falls Regional Park. The walk-about will be co-hosted by Bill Plumb, co-founder of the Markham Ravine Neighborhood Committee.

Walkers will meet at the Park entrance on Mears Place Road at 3 pm. Directions to the park and trail map are provided on the website and a copy of the vicinity map is included below. A car caravan will be leaving Markham Park at 2:30 pm. It is recommended that folks join the car caravan because there are many twists and turns to be made in order to reach the Mears Place park entrance. For the solo adventurists there will be a more detailed directional map available at the Creek Week Community Education Forum being conducted on Saturday, April 21st, within the Lincoln Heritage Theatre. A general vicinity map included below.

Bring hiking or comfortable shoes. Be prepared for any type of weather. The walk will take place shine or rain, hot or merely warm. Bring some snacks for munching if desired. One does not have to traverse the entire hike up to Hidden Falls. You might be there an hour or four hours, but what a marvelous Sunday walk through the park!

Coon Creek area provides wildlife habitat for public – potential trail connectivity to Hidden Falls
