LINCOLN CREEK WEEK 2007

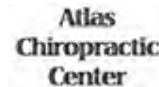

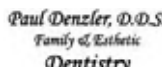

Haunted by Waters

The Markham Ravine Neighborhood Committee says *"Thank You"* to all of the volunteers who cleaned up Markham Ravine and Auburn Ravine!

And, THANK YOU to all of the sponsors who supported our 4th Annual Lincoln Creek Week activities, April 21st-28th, 2007.

- We are continuing to work with Foothill Associates, Restoration Resources and the City of Lincoln as they develop the Markham Ravine Nature Area Project (MRNA).
- We invite the Lincoln Community to be involved in this project. Bring your ideas and input to the Markham Ravine Neighborhood Committee meetings and the Foothill Associates public hearings.
- Together we will create a Lincoln we are proud to call home.
