

Markham Ravine

The Markham Ravine Neighborhood Committee says "Thank You" to all of the volunteers who cleaned up Markham Ravine and Auburn Ravine!

And, THANK YOU to all of the sponsors who supported our 2nd Annual Lincoln Creek Week activities, April 2nd - 9th, 2005.

- We are continuing to work with Foothill Associates, Restoration Resources and the City of Lincoln as they develop the Markham Ravine Corridor Enhancement Project.
- We invite the Lincoln Community to be involved in this project. Bring your ideas and input to the Markham Ravine Neighborhood Committee meetings and the Foothill Associates public hearings.
- Together we will create a Lincoln we are proud to call home.
